

Washington DC Monday September

USAID / A / W / F / S / D / C / A / I

This is the fourth of Agriculture and Food Security Program (AFSP) Cycle for Proposals from

assesses proposals in the hierarchy defined in the *Country definition* on *Agendas*
the country need country redundancy and the technical quality of the proposals

Countries have been selected to access proposals of *CAFSP* in the past are strongly encouraged
to apply given the high number of preferences registered on these proposals which compete with
new proposals for the next selection. Countries have been selected to access proposals of *CAFSP* in the past
can also re-apply. Please note that the deadline for the proposals submission has been updated from
the third of February for proposals, countries are requested to re-evaluate and re-submit proposals of the
updated *Country definition* on *Agendas*

The Steering Committee ends on the occasion of decisions by end of March. Proposals
use the electronic system by publishing on DC the *CAFSP*
Coordination Unit. Submissions can be made to info@fspfund.org or by sending an electronic
message to CD or by showing directly to *CAFSP* Coordination Unit. *M&N MC55*. The World
Bank Group, Pennsylvania Drive, Landover MD, USA. Addressed documents should be sent to
Microsoft Word, Excel or PDF format.

Submissions documents use the red lines defined in *Country definition* on *Agendas*
including documents concerning the following which should be referred to each of the
specified red lines. Please note that the online registration fee does not cover the
online documents or documents for the strongly encouraged countries of the field visits for the
