

According to the State of Food Security and Nutrition in the World 2022 report, as many as 828 million people go to bed hungry every night, and the number of those facing acute food insecurity has soared from 135 million to 345 million since 2019. In addition, 49 million people in 49 countries are teetering on the edge of famine.<sup>1</sup> The drivers of acute hunger are rooted in multi-layer crises, including climate change, natural disasters, conflict, the COVID-19 pandemic, and food and fertilizer supply chain impacts resulting from the Russian-

select

For GAFSP, the definition of a PO includes national and sub-national POs association, union, federation, cooperative, or apex organization

The Call will finance medium- to long-term interventions that are context-specific and aim to increase

The GAFSP CU will not make any grant available for proposal preparation for this PO-Call. The PO or SE will cover proposal preparation costs or both as mutually agreed upon. These costs will not be reimbursed if the project is not approved.

The Proposal Template is organized into three sections. Proposals will be scored based on all three sections and their respective weightings.
